# MRS. ROCKEFELLER WITNESS IN STILLMAN DIVORCE CASE: BANKER'S WIFE GAY AT TRIAL

## Sister of Financier Masks Face With Heavy Veil-Doctor Says Stillman Visited Wife Often at Time of Guy's Birth.

(Special from a Staff Correspondent of The Evening World.) POUGHKEEPSIE, June 15 .- Dr. Warren Hildreth, who attended Mrs. Anne Urquhart Stillman when her baby, Guy, was born at the Women's Hospital in Amsterdam Avenue, New York, in December, 1918, was the first witness called to-day when hearings of the divorce case were resumed before Referee Daniel J. Gleason. Mrs. Stillman attended the hearing and listened to all testimony.

The physician stated that Mr. Stillman was a frequent visitor at the hospital at this time and was, apparently, on the best of terms with his wife, showing affection and concern for her welfare by his manner.
